Judith Holmes and The Holmes Family are very honoured today to have the Chris Hurley Paddlers Cup Men's highest point score cup awarded in the honour of the late Kerry Holmes.

Kerry was very passionate about kayaking and was involved in the sport at many levels over the past 20 years. He was President and a life member of West End Canoe Club, actively participated in Marathon Racing at local, state and national levels. He ran coaching clinics for newbies up to advanced paddlers some reaching to State and National championship levels. He also raced in the Murray Marathon, Hawkesbury Classic several times, raced in the Australian Masters and World Masters in Kayaking.

Part of giving back to the sport and at the time of his passing, he was working as a Board Member and Treasurer of Queensland Canoeing.

Kerry always supported and admired Chris and Brenda Hurley's support, development and contribution to the sport and would be extremely honoured to have this cup awarded in his honour today.

It is with great pleasure the 2014 Chris Hurley Paddlers Cup Men's highest point score cup awarded in the honour of the late Kerry Holmes goes to Trevor Baque, Brisbane Canoeing.
